

Colorado NENA would like to recognize all the outstanding 911 Centers in Colorado by presenting a 911 Center of the Year Award at the NENA-APCO Forum and Technology show October 11<sup>th</sup> and 12<sup>th</sup>, 2007.

Please nominate your 911 Center by describing why your Center should be recognized as the best in Colorado. Include what consistently makes your center great, how teamwork is accomplished and other things such as service to the community and public information. Also, include the size of your center by number of employees.

Cash awards will be given to three centers based on the size of the centers. We will be inviting the media and elected officials to join us and present these awards for this ceremony.
